

The SuppliTo twinTop overbed table consists of a tilt-adjustable and a fixed tabletop. A special inclination fixation ensures maximum safety. It supports both the user and the patient, e.g., during homecare activities or food intake in bed. The height of the SuppliTo twinTop can be individually adjusted. Even at higher table settings, the overbed table remains stable.

- Easy to fold up
- Tool-free assembly and disassembly
- 4 smooth-running rollers, 2 with brakes
- Additional table top
- Flexible use in the patient room
