Dynamic, sporty & sophisticated. The new Blaze is a crossover which was developed to meet your requirements. The innovative design puts the focus on the person. It is impressive not only because of the sophisticated details, but also because of its distinctive look. The 13-inch tires on stylish alloy rims complement the elegant design.

- Attentive driving with daytime running light as standard
- New, integrated LED lighting technology reduces power consumption
- Powerful 850 W motor
- 13" tyres on sleek design light metal aluminium rims ensure a comfortable drive
- The standard basket offers plenty of space to put your shopping, for example
- Non-slip throttles give a safe driving experience
- Volume of the beeps can be easily adjusted using the control panel
- Full suspension absorbs small bumps
- Extra-slow mode enables rapid, simple speed reduction to half the maximum speed
